THERE ARE OTHERS.

If your affliction proves untrue,
There are others!
If sometimes you're feeling blue,
There are others!
If you show up late for lunch,
If your wife hands you a bunch,
And you simply sit and munch,
There are others!

If at trifles you get sore,
There are others!
If though rich you still want more,
There's John D.
If at luck you often curse,
If your cold is getting worse,
If you do not like this verse,
There's Shakespeare!

HOW TO DANCE THE NEW CRAZE.

The following is given out as the correct formula for dancing the barn dance, which is now the craze among the trippers of the light fantastic toe: Put your arm gracefully around the girl, make a noise like a cow, and take three steps to the water trough. Then eat a small amount of brand, mixed with a couple of hops and a bale of hay, walk as nearly like a chicken as possible, turn a hand spring, kick like a bay mule, and smile as if you had eaten a barrel of stock food. Seat your partner and take another.

THE PUBLIC BENEFITED

Mayville People Greatly Interested in the Generous Offer of Thos. J. Chenoweth

The people have already demonstrated that they would rather trust a man who is naturally honest, than one who was honest only because he had to be.

Thos. J. Chenoweth has a firmly established reputation for square dealing and sterling honesty. When he told the people that Rexall Remedies are the purest and most dependable remedies that it is possible for modern science to produce, and that he would tell the public exactly what each one of these 300 remedies contained, and that he sold Rexall Remedies on his own personal guarantee that they would give entire satisfaction or the medicine would not cost the user a single cent, he was believed.

Ever since this announcement the store of Thos. J. Chenoweth has been crowded by people buying Rexall Remedies; all of which proves that Thos. J. Chenoweth has the confidence of the people and that honesty is the best policy.

There is no "cure-all" among the Rexall Remedies;—there are 300 different and separate medicines; one for each human ill, and each unquestionably the best of its kind. Rexall Dyspepsia Tablets are particularly recommended for the positive cure of stomach irritation, indigestion and dyspepsia. They are rich in Bismuth, Subnitrate Pepsin and Carminatives, and are prepared by a special process which perfects and enhances the great curative value of these well known medicinal agents. This remedy sells for 25c a package. Everyone suffering from a stomach disorder should try Rexall Dyspepsia Tablets, inasmuch as they cost nothing if they do not satisfy.

Thos. J. Chenoweth is certainly fortunate in securing control of the sale of these remedies, and we urge everyone in need of medicine to investigate and take advantage of his frank and generous offer.

ANOTHER WOMAN CURED

By Lydia E. Pinkham's Vegetable Compound

Gardiner, Maine.—"I have been a great sufferer from organic troubles and a severe female weakness. The doctor said I would have to go to the hospital for an operation, but I could not bear to think of it. I decided to try Lydia E. Pinkham's Vegetable Compound and Sanative Wash—and was entirely cured after three months' use of them."—Mrs. S. A. WILLIAMS, R. F. D. No. 14, Box 39, Gardiner, Me.

No woman should submit to a surgical operation, which may mean death, until she has given Lydia E. Pinkham's Vegetable Compound, made exclusively from roots and herbs, a fair trial.

This famous medicine for women has for thirty years proved to be the most valuable tonic and renewer of the female organism. Women residing in almost every city and town in the United States bear willing testimony to the wonderful virtue of Lydia E. Pinkham's Vegetable Compound. It cures female ills, and creates radiant, buoyant female health. If you are ill, for your own sake as well as those you love, give it a trial.

Mrs. Pinkham, at Lynn, Mass., invites all sick women to write her for advice. Her advice is free, and always helpful.

weighing thirty pounds, died Sunday morning at 2:30 o'clock at her home in Pelham street, Oklahoma.

The fact that she passed through the hazardous operation and rallied as she did was a gratifying surprise, even to her attending physicians, and as the days lengthened into weeks hope was revived that she would ultimately win the victory in the battle for life. It was not to be, however. A change in her condition was noted Monday, and thence on she gradually grew weaker until the final summons came at the hour noted above.

She was born on Tuckahoe, Mason county, and had arrived at matured womanhood.

She was a graduate of the Maysville High School under Prof. William Richeson. She was an accomplished and competent young woman, whose services as bookkeeper were in constant demand, having been employed by the leading firms of this city.

She was a firm and true adherent of Christian Science, and lived and died in the faith. It can be said that she was a noble woman, an obedient and loving daughter, an affectionate sister and a true and steadfast friend.

Besides her mother, she leaves one sister

and two brothers, Miss Julia L. Ryan and Mr. Joseph T. Ryan of this city and Mr. John F. Ryan of Huntington, W. Va.

Funeral tomorrow afternoon at 3 o'clock from her late home in Pelham street, with services by Rev. B. F. Chatham of the M. E. Church, South.

Interment in Maysville Cemetery.

The centennial service at the Lawrence Creek Christian Church yesterday evening was a grand affair and the numbers on the program were delightfully carried out.

The following motions have been filed in the office of the Clerk of the Court of Appeals at Frankfort since the adjournment of the Court March 25th: C. and O. Railway Company vs. Lang's Administrator, &c. Mason; agreement filed to give appellant 20 days' additional time to file brief and appellee 20 days thereafter. C. and O. Railroad Company vs. Maysville Brick Company, Mason; agreement filed to allow appellee to April 27th to file petition for rehearing.

At the meeting last week of the Democratic State Central Committee at Lexington, Thomas A. Combs of Lexington was elected Campaign Chairman and Lexington was selected as permanent campaign headquarters.

"Colonel" Tom Russell, of the well known firm of Russell & Co., has cast his lot in the race for Mayor of Maysville. He is now serving as Councilman, and, with this training, somebody had better look to their laurels over that way.—Georgetown (O.) News-Democrat.

The mass meeting of the Union League of Christian Endeavorers Friday evening at the Christian Church was attended by a large audience, and was a success in every particular.

The address of Dr. Crossfield was one of the finest ever heard in Maysville. It was his first visit to Maysville and the good impression he made will remain long in the hearts of the young people who appreciate to the uttermost the words of exhortation, encouragement, advice and counsel that he gave them. His subject was "Ye Are the Light of the World," and he made the application to our Young People's Societies, telling them of the vast amount of good that it was possible for them to do. He complimented the Union League very highly, saying it was one of the best he had had the opportunity of meeting. He also paid a handsome compliment to Master James W. Bradner, the youthful violinist, who so charmed the audience with a solo. The solo of Miss Sallie Milton Hall was very sweetly rendered and was quite an addition to the program. The B. Y. P. U. of the Baptist Church was the happy recipient of the Banner, they having the largest per cent. of their membership in attendance. It was presented in a very neat speech by Dr. Crossfield.

Quoted From Commissioner Bell's Report:

"I have made a very careful and thoughtful study of the conditions of this Company, and I do not hesitate to say that it has a most brilliant opportunity to become one of the great insurance companies of this country. It has had a remarkable history. Organized only a little over four years ago it has nearly 6,000 policyholders and insurance in force aggregating over \$27,000,000. Its assets are considerably in excess of \$1,000,000, and by virtue of its **SPLENDIDLY** equipped medical department, its risks are as good as the best."

Two Factors

Other than the fabric make a garment worth the price demanded. Any tailor can give you good cloth in a garment—he need but pay for it. Few tailors can give you the good fabric plus the distinctive style and fine tailoring which identify Geo. H. Frank & Co.'s Clothing for Men.

\$10 to \$25

Style which is distinctive enough to be out of the rut, yet never loud enough to offend good taste. Tailoring which is good as head-and-hand can devise—good enough to hold the style permanent as long as the garment is in service.

Farmers report plowing well advanced and that ground is breaking in fine condition. A large acreage of potatoes is planted and preparations are being made for a good-sized tobacco crop.

Evangelist Glascock filled his regular appointment at the schoolhouse Sunday. He was accompanied by Prof. Roebuck, one of Adams county's bright young teachers, who gave a splendid lecture to the Sunday-school. It was fine and compared favorably with the series of Ropes lectures as lately published. The teachers and pupils of the Sunday-school appreciated it and Prof. Roebuck was urgently requested to come again.

It pays to advertise.

SCHOOL TAX VALID

County Superintendent Wells Gets Opinion from Attorney General

County Superintendent C. D. Wells Friday got an opinion from Attorney General Breathitt to the effect that a special school tax levy of 15 cents on the \$100 worth of property, enacted by the act of the Legislature in 1889-90, is still valid, and that if he desires a 20-cent tax levy for school purposes, all he will have to do will be to ask the Fiscal Court for an additional 5-cent levy.

Superintendent Wells and the people interested in promoting the cause of education in Mason county are very anxious to build another High School in Mason county, at Mayslick, and to do this a fund will have to be raised by taxation.

The members of the Fiscal Court are understood to be desirous of keeping the tax rate as low upon the people as possible, and hold that the rate of 15 cents, which has been in effect since 1890, is sufficient.

Superintendent Wells wanted to get some authority upon the matter, and he laid the matter before Attorney General Breathitt, and then consulted with the Department of Education.

EVER HAVE IT?

If You Have, the Statement of This Maysville Citizen Will Interest You

Ever have a "low-down" pain in the back? In the "small," right over the hips? That's the home of backache. It's caused by sick kidneys. That's why Doan's Kidney Pills cure it. Maysville people endorse this. Read a case of it:

Frederick Drosel, 1238 East Second street, Maysville, Ky., says:

"I consider Doan's Kidney Pills to be a most excellent remedy for kidney trouble and am only too glad to speak in their praise. About five years ago I was bothered by weak kidneys and the secretions were scanty and attended with pain during passage. Severe pains across the small of my back were frequent and at times greatly interfered with my work. While telling a friend of my condition, he advised me to use Doan's Kidney Pills and I procured a box at J. J. Wood & Son's Drugstore. I used them according to directions and they afforded me prompt and effective relief."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States. Remember the name—Doan's—and take no other.
